Exemplar  
Global

Attendees successfully completing the examinations provided in conjunction with this course receive a Certificate of Attainment for these Exemplar Global knowledge competency units:

EM – Environmental Management Systems

AU – Auditing Management Systems

TL – Leading Management Systems Audit Teams

The Certificate of Attainment provides evidence of knowledge competency defined by Exemplar Global for certification as an Environmental Management Systems Lead Auditor.

While ISO 14001 is used as the model for teaching audit, this class enables students to develop and apply auditing skills using any recognized management system standard.
