- ❑ Corrective Action

Attendees successfully completing the examinations provided in conjunction with this course receive a Certificate of Attainment for these QMII knowledge competency units:

14001 – Environmental Management Systems
45001 – Occupational Health and Safety Management Systems
AUDITOR – Auditing Management Systems
TEAMLEAD – Leading Management Systems Audit Teams

![Exemplar Global logo]

This course is recognized by Exemplar Global as meeting the training requirements for EMS Lead Auditor personnel certification.

While ISO 14001 and 45001 are used as the model for teaching audit, this class enables students to develop and apply auditing skills using any recognized management system standard.

A prior review of ISO 14001:2015 and ISO 45001:2018 is suggested for this course.

Call 888.357.9001 today to schedule training or get more information about our training, consulting, and auditing services.
